

A TOWNHOUSE CONDOMINIUM

[www.arlingtonvillage.com](http://www.arlingtonvillage.com)

Dear Village Unit Owner!

We have received your request to snake the drain(s) in your unit, however, we must inform you that due to the age of the waste lines throughout Arlington Village, there is a possibility that when snaking is performed, damage to the pipes in your unit could occur. This could result in a leak in the pipes that possibly would cause water damage to your unit. While the staff will use reasonable precautions to reduce the chances that this will occur, you must be aware that the possibility does exist. Should this occur, you, the unit owner, will be solely responsible for all repairs to the pipes and any associated damage to your unit and belongings.

By signing below, you hereby acknowledge that you have read and agree to the above statement. If you elect not to sign, the Arlington Village staff will not perform the service you have requested and you will need to hire an outside contractor.
